Excalibur: The Story of Young King Arthur at MPC

MPC's Drama department conceived their Storybook Theatre programs especially for kids and families. The first play of this season was Winnie the Pooh and Friends. Now they travel further back in time to resurrect the British legend of King Arthur (Matthew Pavellas), starting from the time when he was just a squire who stumbled upon a fateful rock impaled with a gilded sword, as recounted by the old sage

wizard Merlin (Richard O. Mueller). Written by Michele L. Vacca and directed by Mark Englehorn, this production tells a tale of knights and magic and destiny. [WR]
